

Florida Ocean Alliance Member Benefits

Florida Ocean Alliance members benefit from their membership in many ways, including:

- Networking and opportunity for collaborations or partnerships with other members
- A subscription to *Florida Ocean News*, FOA's quarterly email newsletter
- Member organization listing in the www.FloridaOceanAlliance.org membership directory
- Invitations to participate in annual Florida Oceans Day activities at the Florida State Capitol
- Invitation to the Florida Ocean Alliance Annual Member Meeting and announcement of annual issue priorities and strategic plan
- Opportunities to contribute your news and content to *Florida Ocean News*
- Updates on important marine and coastal conservation news
- Access to Florida Ocean Alliance publications, reports, and articles
- Access to current information on policy initiatives and opportunities for engagement in the legislative process to support those initiatives
- Opportunities to engage with leading experts, Congressional and State representatives and staff on ocean and coastal issues
- Opportunity to be considered for Florida Ocean Alliance Board of Directors voting membership as Board vacancies become available
- Opportunity to help fulfill the Florida Ocean Alliance Mission, Vision, and Plan — for the preservation and protection of Florida's ocean and coastal resources and our blue economy
